

**For Sale XOD 96 'Fantasy'
Totally Re-fitted and ready for the
'CENTENERY SEASON'**

Built by Hampers of Fareham in 1952.

She was, in fact, the first X boat built by them and is said to be the fastest of the, so called, 'Naughty Nineties. There is a lot interest in this X and in the right hands she is a fast boat. She won The Captains Cup in 1958.

She has been in the same ownership since July 1991 and has been maintained, regardless of cost, by Darren Maple, Shipwright on the Hamble and Neil Vickers at Itchen Abbas (call 07530152736 to view) where she is, at present, completing her annual refit, after which she will be launched on the Hamble.

She comes with a suit of Batt sails (July 2008), a Hayling Island Trailer Company four wheeled XOD Trialer valued at £1600 and a freehold pontoon berth on the Hamble valued at £750.

Price: £12,350 for complete equip, or would split.
