OCTOBER NEWSLETTER      October 30th 2009

The **Class Committee** met in mid October. The minutes are about to be circulated and put on the website. Several resolutions for the AGM were agreed and we shall distribute them with the AGM notes. The Chairman of Marketing Committee reported in person to the members with a progress report and future proposals were accepted. Both Centenary and Marketing Committee Chairmen hope to attend the AGM.

I am delighted that I can report that Laurence Boarer is in detailed discussion with sailors who are planning a **new XOD** for 2010. Further details are on the website.

The **Cowes wash up meeting** was quite productive. If you agree with the AGM resolution relating to VHF use, information about black flags, re-positioned buoys and shortened courses can be transmitted.

The Class Committee is sounding out the Divisions about the possibility of moving the **annual team racing** from the Friday before Cowes to the last Saturday in Cowes with a non points race for the rest of the fleet. No decision yet but your opinions are being sought.

We are moving much closer to the opportunity to finish our Cowes Week races on the **Squadron line**. Many years ago this was the norm but was changed as the event grew in size. The suggestion has been very much part of the negotiations that the Centenary Committee have been having with Stuart Quarrie.

The AGM is on the 5<sup>th</sup> December.

Mark Hall
